

Please provide a sketch of your deck layout. Indicate measurements (accurate within 1/8") along the outside edge of your deck framing (rim joists.) Scan & email both sides of this form to [sales@invisirail.com](mailto:sales@invisirail.com)

A large, empty grid area for sketching the deck layout. The grid consists of small squares, approximately 1/8 inch wide and high, covering the majority of the page below the instructions.
